GENERAL INFORMATION

People & payment

If you require exclusive use of the Adventure Park Cafe or your event is outside of normal operating hours, a \$500 venue charge or minimum spend of \$2500 applies, this needs to be made up of a combination of food and beverage.

If the minimum spend is not met then the difference will be charged as venue hire. Deposits will be required for café event bookings of \$250. Full payment will be required on the night or invoiced by prior arrangement. Any reductions or cancellations less than 48 hours prior to the function will be charged. Menu selections and dietary requirements must be confirmed at least one week prior to the function.

Bar accounts

You can set up a bar tab for your guests at a credit limit decided by you. Once that limit has been reached you can choose to add further funds or your guests can then 'pay as you go'. As the account holder, you can specify the beverage options available to guests on the account. We can also accommodate 'first drink free' or tabs which subsidises your guest's drinks.

Liquor license & closing time

The consent for the Adventure Park only allows us to serve alcohol until 9 pm (Sun-Tues), 12 am (Wed-Sat). The venue will stay open no longer than 30mins after last drinks. We can apply for a special license but this needs to be completed at least 6 weeks in advance and it costs \$210 which will be added to your booking fee.

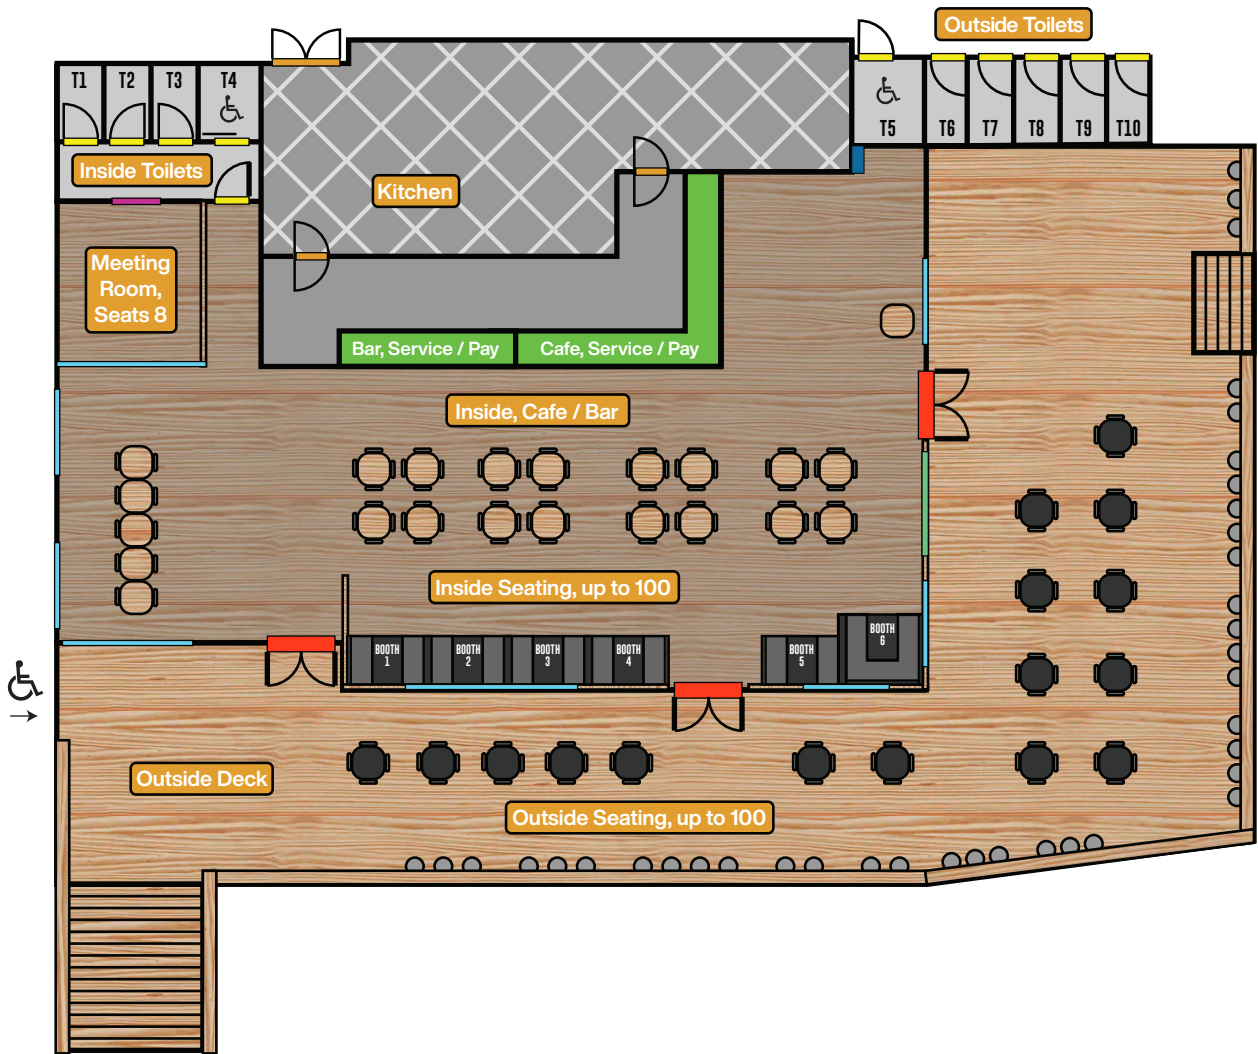

Smoking on-site

Please be aware that the park is a completely smoke free site. As we are situated in a forest there are no exceptions to this rule.

One size does not fit all

If you have something in mind that we have not covered feel free to contact us, we would love to have a chat and discuss personalising your function.
