

### Annual Pass or Season Pass – Insurance Form

We know that investing in a Season or Annual Pass is a big investment and we also know that things in life can get in the way of making the most out of your Pass.

Our pass insurance provides you a partial refund of the pass when an injury, medical condition or force majeure event precluded or significantly limits the ability to enjoy the pass for the duration or part of the duration.

All applications for a (partial) refund due to injuries or medical conditions, will need to provide the Guest Services team with a valid medical certificate, or any other evidence that is deemed acceptable to the Christchurch Adventure Park (CAP). CAP reserves the right to obtain independent medical advice to validate any claim.

The value of the refund will be calculated based on the use of the pass according to the tables below.
